- highlight the varying degrees of probability of assertions;
- to enable students to perceive the links between theory and experimental experience;
- familiarize students with the use of various nomenclature, terminology and symbols.

PROGRAM:

- biochemistry (carbohydrates, lipids, proteins, nucleic acids);
- cytology: cell structure and cell division (mitosis and meiosis);
- genetics: (history, transmission and use); Mendel's laws; population genetics (Hardy-Weinberg law); multifactorial heredity;
- botany;
- zoology;
- human anatomy;
- evolution;
- ecology.

ENROLMENT

Enrolment in the Preparatory Department of MSMSU
(for students residing abroad and requiring a Study Visa)

APPLICATION GUIDE

- 1 fill in the Application form and scan it. Scan QR-code 
- 2 scan your passport or your identity card with its notarised Russian translation;
- 3 scan your diploma or other qualification certificate translated into Russian, legalized or with Apostille;
- 4 send all the scanned documents (the application form, the passport together with its notarised Russian translation, the diploma or other qualification certificate translated into Russian with its notarised Russian translation) by e-mail: prepdep@msmsu.ru, kalutskihan@mail.ru (till August 10);
- 5 wait for the confirmation of the University to enroll the applicant at the Preparatory Department;
- 6 receive the invitation to Russia from the University for document submission and contracting (till September 15);
- 7 arrive in Moscow, come to MSMSU Admissions Office and file all the documents to be enrolled to the Preparatory Department;
- 8 sign the contract.

Cost of training in 2023 is 250.000 RUB

The deadline for the submission of the applications is
the 10 of August 2023.

Start of the course: **01.10.2023**

Please point out that the date of admission period might change due to coronavirus pandemic. We are sorry for the inconvenience.

Enrolment will only be finalised once you have completed the admission procedures previewed by MSMSU (read carefully the application guide).

For further information, please write to prepdep@msmsu.ru, kalutskihan@mail.ru.

PLEASE NOTE

According to the instructions issued by the competent authorities regarding the coronavirus emergency, enrolment procedures such as completion, submission and administrative check of mandatory documents will be carried out in a blended modality: remotely and in person.

MANDATORY DOCUMENTS TO BE PROVIDED TO THE ADMISSIONS OFFICE

For enrolment in the Preparatory Department of MSMSU:

1. application form. Scan QR-code 
2. your passport or your identity card and its copy;
3. your notarized Russian translation of your passport or identity card;
4. your diploma or other qualification certificate and its copy translated into Russian, legalized or with Apostille;
5. medical certificate (if you study in person in Russia);
6. medical insurance policy (if you study in person in Russia).

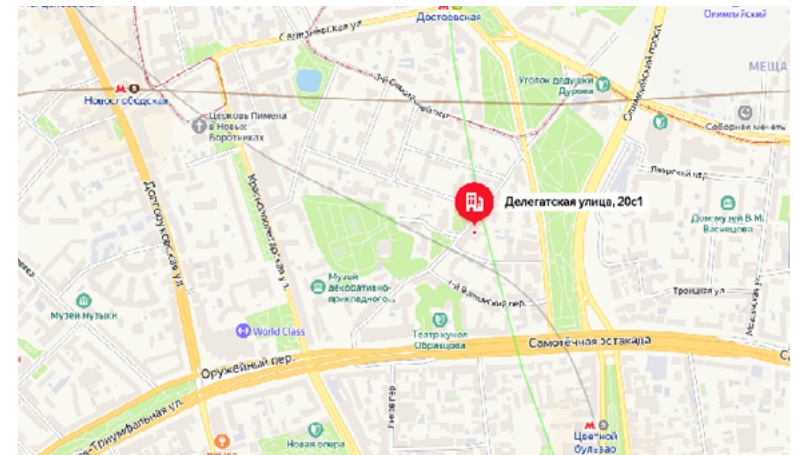

REQUIRED DOCUMENTS
